Annapurna Circuit Trek

Trip Overview

The globally popular trek that traverses across the highest pass Thorung La...

This trek also known as Round Annapurna Trek is a globally popular trek amongst the trekkers. The trek takes you to an elevation of 5416m while crossing the Thorung La Pass. The trek traverses through the Manang valley following the trail along the Marsyangdi River and passing through the deepest gorge of the world Kali Gandaki.

The trek begins from the mid-hill region and eventually takes you to the higher elevation passing the diverse landscapes. You will get to see amazing floras and faunas during your trek inside Annapurna Area Conservation Project (ACAP). You will get a closer look to the Gurung, Magar and Thakali Culture during your trek as you travel through the habitat of these ethnic tribes.

The trek will also lead you to Muktinath; the common pilgrimage for both Hindu and Buddhist. You will later arrive to Jomsom to experience the power of wind. The trail will keep surprising you all along the way through magnificent scenery of mountains beside you. The biological and cultural diversity is another attraction to this trek.

Regarding the safety while undertaking this trekking adventure, the entire infrastructures of the trails have been assessed and declared safe.
