Langtang Helambu Trek

Trip Overview

The Langtang Helambu Trek located north from Kathmandu Near Tibetan border of Nepal, the trek is amously known as tamang home stay trek, it provides camping and homestay facilities. The trek along this unbeaten trail is a new experience for the trekkers experiencing the beauty of this mountain region with the culture of local people. You trek through Tamang villages with its life, culture and crafts which have remained untouched from the beginning of the settlement. The trekkers will receive hearty felicitation by the locals rich in their distinct costumes, architecture of their mountain houses and ancient monasteries. It offers you wilderness experience through beautiful landscapes of alpine terrain, flat meadows and rhododendron forests.

And, the holiest lake above 4000 meter known as Frozen Lake locally named Gosainkunda, sarrounding the hills and Himalayas ponds are sacred lands to explore on the trek.
