Mountain Flight in Nepal

Trip Overview

The mount Everest scenic sightseeing flight over Mt. Everest to witness the aerial magnificence over world's loftiest peaks...

Mount Everest flight is one of the world most exclusive plain journey that offer the best view of Mt. Everest and Himalaya snowy peaks. The epic panoramic encounter with the highest peaks of the world that everyone should try once. The shortest approach to the elevated Himalayan peaks including Mount Everest.

The Everest flight is an hour long small (ATR and Bombardier CRJ Aircraft) fixed wing aircraft that fly over the top snow capped mountains. Yeti Airline, Buddha Air and Shree Airline operate this extraordinary Everest Experience adventure tour from the Tribhuvan International Airport, Kathmandu on daily morning.

For those who are unable to undertake trekking because of diverse kinds of constraints in the Himalayas but still crave to see the panoramic views of the mountains, Mountain Flight is the best way to explore the majestic scenery of the Himalayas including [Mt. Everest](#), Shisha Pangma, Melungtse, Gaurishanker, Bhamare, Dorje Lhakpa, Phurbi Chyachu, Choba, Numbur, Karyolong, Cho-Oyu, Pumori and Nuptse with range.

You can book your mountain flight ticket with Himalayan Glory Travels and Tours (P) Ltd, as we are the official seller for Yeti Air Mountain Flight and Buddha Air Everest Flight. We can get you good seats with the best view of mountains. We provide our clients with an individual window seat so that you can take full enjoyment of mountain sightseeing during the entire flight. Flying over the highest peaks of the world where travelers get to sight the beautiful snowy kingdom and the scattered highland settlements is a lifetime opportunity in Nepal.

You can extent your trip to [Muktinath Temple](#) or Pokhara City or Kathmandu day sightseeing tour after the completing Mt. Everest Flight.
